<h3>Meeting Minutes</h3>

Meeting Called to Order at: 8:36a.m.

- 1. Welcome:** Laura welcomed members and audience.
- 2. Approval of December 21, 2010 Minutes:** Heather Angebrandt made a motion to approve, Heather Mollo seconded, and members present approved as written.
- 3. Regional Services- Requests for Proposals:** RFP's were reviewed for the 34 Service Standards set by DCS. Providers were chosen by the subcommittee and lists were given to members for approval. Ten Services were not scored due to services being available in local communities or DCS already providing these services in house. There were 305 RFP's submitted for Region 14. Please see attached spreadsheet for the service standards that were scored and which provider was chosen. Judge Mollo requested a review of the Truancy Termination RFP's as this has been a valued service in Bartholomew County. Tammi Hickman requested that Random Drug Testing be reviewed as well. Both services will be scored and reviewed by RSC. RSC members questioned why Children's Bureau was not chosen to be the Community Partner for Child Safety any longer and if they were going to finish out the year. The Children's Bureau will complete their current contract until June 30, 2011. RSC requested copies of the RFP's for the four Community Partners Providers. Judge Loyd asked when members needed to vote on the RFP's. Laura mentioned that approval is needed by February 28, 2011. Members decided to meet on Monday, March 1 from 8:30 to 10:00 location to be sent at a later time to review the three Service Standards discussed. Judge Loyd asked if providers for Community Partners could attend the meeting to give a brief description of each agencies program. A vote was taken on the providers selected for each Service Standard. Judge Mollo made a motion, Tammi Hickman seconded the motion to accept the providers chosen as discussed and documented

(attached), RSC unanimously approved said services. A vote will be taken March 1, 2011 for the three additional Service Standards discussed above.

- 4. Approval for Jennings County to use Life Spring in Salem- Region 18:** Laura asked members to approve Jennings County DCS using Life Spring for a family that has moved from Jennings County to Salem, IN. This will allow the family to continue services. Heather Angebrandt moved to approve, Karen Munson seconded and members present approved.
- 5. Community Partners for Child Safety (CPCS) Report:** Jon Bennett introduced the new director for CPCS, Hanna Maulin to members. He then gave members handouts for Child Welfare Services “Brokered” Allocated Funds, CPCS Region 14 RSC Report, and Region 14 RSC Report 2010 Year End Report. Jon mentioned the Provider Fair and partnering with Judge Mollo to have another Children’s Summit. Judge Mollo stated that she is interested in partnering and would open up the option of having a region-wide summit this year if there was interest. Discussion of a topic or theme was discussed and further discussion will ensue.
- 6. Regional Budget:** Steve Adams gave members the current budget spending for Region 14. He went over the reports with members paying close attention to the percentages that the region and counties were at and where they should be in current spending. As a region the spending is at 62% and should be 58% or lower. Bartholomew is at 62%, Jackson is at 58%, Jennings is at 65%, Johnson is at 59% and Shelby is at 68%. Steve mentioned that the region is still facing challenges and there are still 5 months left for this budget.
- 7. Other Business:** Providers handed out quarterly reports to members.
